City of New Holstein Waste and Recycling Cart Guide

- Place your trash can and recycling bin at the curb with the wheels facing your house and the lid opening towards the street.
- Keep your garbage cans four feet apart and at least four feet or more from any obstacles such as mailboxes, cars, lamp posts, or utility pole. The best solution is to put your garbage can and recycling cart on opposite sides of your driveway
- Keep your container at the curb until the end of the day if it hasn't been collected. GFL's arrival times change.
- Put your container out after 2:00 PM on the day before collection or before 5:00 AM on the collection day.
- Place all recyclable materials loose into your cart. Do not separate paper from glass, aluminum, plastic, or tin.
- DO NOT place ANY plastic bags in your recycling cart
- Do not place trash in your recycling cart
- Cart cannot be placed on top of snowbanks; they must be on ground level.
- Reminder- Yard waste is NOT allowed in either garbage cans or recycling carts.
